RE: Change in Ownership for Water Rights 37-7191, 37-7379 & 37-7476

Dear Mr. & Mrs. Coleman:

The Department of Water Resources acknowledges receipt of your Assignments of Permit for the above listed permits. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Signature** on Notice of Change in Water Right Ownership form (enclosed)

The three (3) water rights you wish to have changed to your ownership have all been decreed through the SRBA Court and require a Notice of Change in Water Right Ownership form to process your request. I have partially filled out the enclosed form and am sending it to you so that you may add your signature(s) and return it in the prepaid envelope that is included.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script, reading 'Kari Lynn Townsend'.
