

**PROPOSED CHANGE
OF WATER RIGHT** ✓

Robert and Daryl Rhead of HC 85 Box 20, Mountain Home ID 83647 filed Application No. 72540 to transfer two water rights with 1967 priority dates from ground water totaling 8.03 cfs. The purpose of the transfer is to retire 115 acres from irrigation and divert the appurtenant ground water from three existing wells for commercial and stockwater uses for a proposed 6000 cow dairy (3000 milking cows). The transfer will also clarify the location of one well and change the remaining place of use to reflect current irrigation practices. The current place of use is located on both sides of Highway 51, just south of Beet Dump Road. The proposed dairy will be located west of the Highway.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with IDWR Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before April 24, 2006. The protestant must also send a copy of the protest to the applicant.
