Re: Water Right 27-2162

Dear Kari Lynn:

We recently followed up with some water rights changes in ownership we filed for Astaris Production LLC in 2000 and have discovered an error in processing one Notice of Change in Ownership. Water right 27-2162 should be listed as being owned 50% by NuWest Industries, Inc. and 50% Astaris Production LLC. This water right was formerly owned by NuWest Industries, Inc. and FMC Corporation (50/50). Astaris Production LLC has purchased FMC's interest in the land and the water right. Currently, the water right should be listed of record as being owned 50% by Astaris Production LLC, with FMC no longer owning an interest. Please see the Notice and deeds/materials filed therewith and the enclosed letters for clarification.

Please give me a call if you have questions or need further explanation of the transaction. Please also send to me written confirmation of the correction for this change in ownership.

Thank you for your attention to this error.

Sincerely,
