Re: transfer evaluation

This transfer proposes to drill a new well and use an existing well to provide for the industrial plant. The place of use will reflect the entire plant area where this water has been used.

4/19/2006 - Spoke to customer, Alan Skinner, to verify new POD. Stated that POD would probably be in the NE side of the 40 acre tract designated in the transfer.

Water Right Validity:

Local Public Interest:

No issues identified.
