RE: App For Transfer 71642

Dear John;

We have received the release from Sawtooth Sheep Co. for the transfer of Right 37-8005D. However, since this right is appurtenant to land owned by the State of Idaho, we need a copy of the lease showing that Sawtooth retains ownership of the water right. If this is not clearly stated in the lease, then we need written permission from the Dept. of Lands for you to make this transfer. I thought the release from Sawtooth was enough, but Boise tells me that it is not sufficient. Once we receive this and the lienholder permission, we should be able to move your application forward to advertising.

Regards,

James E. Stanton
Sr. Water Resource Agent
