Re: Water Right No. 63-23177

Dear Mr. Keen:

I am writing on behalf of my client, John Hauck. It has been brought to my attention that the Permit to Appropriate Water sent from you to my client in a letter dated November 23, 2005 contains the following error. Under the Conditions of Approval section, condition number 1 states that proof of application of water to beneficial use shall be submitted on or before December 1, 2005. The date should be December 1, 2006 as is the date on the jointly issued permit for water right no. 63-32176.

Additionally, Mr. Hauck has completed all necessary installation and construction activities and has been putting water to beneficial use in accordance with his permits. In the near future I will submit proof that the water is being put to beneficial use. Thank you.

Sincerely,

Jon Gould
