Re: *Permit No. 65-22941*

Dear Mr. Keen:

Attached to this letter is a Proof of Beneficial Use. Also attached is a copy of John Leedom's recommendation that the lockable headgate and the measuring devices on the subject Ramos pond not be required as conditions of approval of the permit. Accordingly, by this letter, request is made for waiver of those conditions, as well as any others not needed if the headgate and measuring device conditions are waived. Please have the Department issue an Order waiving said conditions and, when it is issued, please forward a copy to me and to my attorney, Brian L. McMahan, at P. O. Box 1066, McCall, Idaho 83638.

Also enclosed is a check in the amount of \$50.00 to cover the filing fee for the Proof of Beneficial Use.

Thank you for your attention to these matters.

Sincerely,

A handwritten signature in cursive script that reads "Faustino Ramos". The signature is written in dark ink and has a long, sweeping horizontal line extending to the right.
