DEPARTMENT OF WATER RESOURCES

The Idaho Department of Water Resources will consider this form as a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code in which to complete development of a water right.

Permit No. 15-07193
Name(s) of Permit Holder: Jeff Thomas
Address: 2705W 2000N City Malad State Id Zip 83252
Telephone No. 208-766-2765 Date Proof is Due: _____

Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

I have dug the well and had been pumping 1100 gallon per minute. The well has slowed to about 500 gallon per minute. I would like a extension to clean the well and perforations to see if I could get the 1100 gallon I started with
Costing \$ 90,000

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

I've got to get a well driller in to clean it and it is hard to get them because of all the house wells going in

Permit holder(s) request an extension to Apr. 15, 2010

Jeff Thomas

*If other than permit holder, Power of Attorney must be supplied.
