**NOTICE OF PROPOSED
CHANGE TO WATER RIGHTS**

Notice is hereby given that three Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Gooding County on 5/27/2005 by **JOSEPH & KAY A. HULTS, 1425 E 3200 S; WENDELL ID 83355 and DAVID & NICOLE HULTS, 3095 S 1900 E; WENDELL ID 83355. Transfer No. 71997** proposes to combine portions of two water rights under a pivot sprinkler using the existing well for one of the rights. The other well will be converted to a stock well and no longer used for irrigation. Both wells are in the ESPA model grid, so no analysis is possible and no mitigation is proposed or required. The property is located 7 miles south and 4 1/2 miles west of the Wendell city center. **Transfer No. 71999** ties two irrigated pivot corners together under a small well, splitting them off from the larger systems for more efficient operation of the existing irrigation facilities. The land is located 7 miles south and 5 miles west of the Wendell city center. **Transfer No. 72001** reconfigures a portion of the irrigation system on this farm for more efficient operation. The largest existing well will serve a pivot and 4 corners. No new land will be irrigated as a result of this transfer, and no new wells will be drilled. The well is located 7 1/2 miles south and 5 miles west of the Wendell city center. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before April 10, 2006.
