Re: Hawker Transfer

Dear Allen:

Please find the enclosed Applications for Transfer of Water Right submitted on behalf of Rick and Sharon Hawker. Hawker is proposing to transfer water rights 45-2444B and 45-11164 from a supplemental ground water irrigation right and convert the rights for a primary stockwater use. Please refer to the attached narrative for an explanation of the analysis undergone for this transaction.

I have also included a check for a total of \$250.00 (Brockway Engineering check #5072) to cover the costs of the transfer fee. I have also included a limited power of attorney regarding this transfer. If you or the agent processing this transaction has any questions regarding the transfer, please feel free to give me a call.

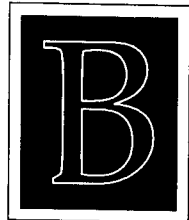

Sincerely,

Daren T. Nelson.
