Re: Permit No. 95-9224

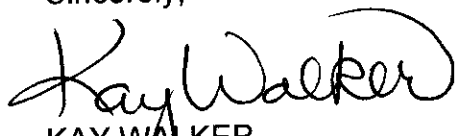

Dear Mr. Koler:

Pursuant to a request of Al Beardslee of our Northern Regional Office, enclosed you will find a copy of Application for Permit No. 95-9224 as it was submitted to the Department. I have also enclosed a copy of the instructions for filing an application for permit.

If your system is not completed when you receive notice that proof of beneficial use is due you can request more time by filing an application for extension of time to develop the system.

If you have any questions regarding this matter, feel free to contact this office or our office in Coeur d'Alene.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
