Gentlemen,

Allen Merritt previously sent you a draft approval document for Application 36-16299. IDWR has serious reservations about issuing the permit for "municipal" purposes. I have attached a new draft approval document showing the beneficial uses as "domestic" and "fire protection."

Please review the draft and let me know if it is acceptable. If I have not heard from you by March 14, 2006, IDWR will assume you have no objections to the draft.

Please call or email if you have questions.
