Permit to Appropriate Water
NO. 36-16299

CONDITIONS OF APPROVAL CONTINUED

5. Irrigation water for lawns, gardens, landscaping, or common areas at the Valley School District No. 262 facilities is currently provided by appurtenant Right 36-15190 and/or appurtenant surface water represented by shares in the North Side Canal Company (stock shares certificate nos. 24141, 22912, 22913 and 23035, issued on May 12, 2003, May 17, 1999, May 17, 1999, and August 5, 1999).
6. Right 36-15190 is also diverted through the points of diversion described above.
7. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
8. Prior to the diversion and use of this right, the right holder shall install and maintain acceptable measuring device(s), including data logger(s), at the authorized point(s) of diversion and in accordance with Department specifications and the recommendations of the watermaster of Water District 130.
9. Prior to any diversion and use of water under this water right, the right holder shall (1) provide evidence of participation in a mitigation plan, approved by the director, and administered by a ground water district or other recognized organization, or (2) provide individual mitigation approved by the director.
10. Water shall not be diverted for fire protection use under this right except to fight or repel an existing fire.
11. Noncompliance with any condition of this right, including the requirement for mitigation, is cause for the director to issue a notice of violation, cancel or revoke the right, or, if the right is included in a water district, request that the watermaster curtail diversion and use of water.
12. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 4th day of April, 2006.

KARL J DREHER, Director
