Dear Deborah Gibson:

Please find enclosed the payment for two "Proof of Beneficial Use" fees. One is for permit no. 63-12504. The other is for permit no. 63-12500. The second permit was originally in the name of Bradley F. Wheeler. He no longer has any interest in the permit and has assigned it to me. Enclosed is the "Assignment of Permit" form, wherein Mr. Wheeler assigns all his right in the permit to me. I have enclosed a check for \$125.00 to cover the two "Proof of Beneficial Use" fees and the "Assignment of Permit" fee.

I would like to accompany the Department representative during the field examination of the water system. I would be available toward the end of Summer to fly up to the site at the time of examination. Please contact me so that arrangements can be made. If it is too difficult to schedule a mutually agreeable time, I can arrange for a representative to go in my place. This would be my second choice. Please let me know if there is anything else I must do. Feel free to call if you have questions.

Sincerely,

John Merle Cook
