RE: Application for Permit No. 71-07170

Dear Corey:

Thank you for the time you spent with me on the phone yesterday discussing this permit application. As I indicated, Mr. Racine recently passed away, and his attorney, Randall Budge, has informed our office that his wife, as personal representative of the estate and as trustee of the trust, will execute an assignment. Mrs. Racine, however, will not be available to execute the assignment until after the first of the year. We will obtain the assignment, and we will provide it to you upon our receipt of it. Meanwhile, I trust the IDWR will take no action that would impair the continued processing of this application on behalf of my clients.

Please contact me with any questions or comments.

Yours truly,

GARY D. SLETTE
