Re: Aspen Creek Water Co., Inc. - Application for Drilling Permit

Dear Sharla:

Per our phone conversation regarding the above matter, the Application for Amendment of Permit has been submitted to the client for signature and should be re-filed with you shortly to permit processing and publication. The Application for Transfer filed March 3, 2006, is considered withdrawn.

I am resubmitting herewith the original and two extra copies of an Application for Drilling Permit, together with a check for filing fees in the amount of \$200. As soon as the Amendment to the Permit has been issued to add the additional point of diversion, would you also simultaneously issue the Drilling Permit, returning one copy of each to me and one copy to the Applicant. Thank you for your cooperation and assistance.

Sincerely,

RANDALL C. BUDGE
