## MEMORANDUM

**TO:** Craig Saxton  
**From:** Liberty Gagnon  
**Date:** December 8, 2005  
**Subj:** Change of Ownership for David and Kari Negri

Hi Craig- This c/o was sent to me with out much info so I searched to find the correct water right and I am still not sure that I found it. The legal says Lot 27 of the River Bend Estates subdivision in Weiser with an address of 987 River Bend Lane. There were three water rights that seem to be covering this address but it was listed as lot 7. My guess is that it is a typing error on the deed since there does not appear to be a lot 27 in the subdivision. Anyway, I have printed off proof reports of the three rights that appear to be covering it, one is basin 67 and two are basin 03. I don't know if all of them apply or just one but a copy of this needs to go to Steve Robischon if it pertains to basin 03. Good luck!

Thanks!
