RE: Change in Ownership for Water Rights 03-10003 & 67-10646

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Filing Fee** of \$25 per water right

☒ **Evidence of Water Right Ownership:** copy of **Warranty Deed**, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question and including a **Legal Description of Property**. The warranty deed you sent has a legal description that does not match our database information. I have enclosed copies of the database print out with the pertinent data highlighted.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. We have determined that the additional filing fee for your notice will be **\$25.00**.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
