RE: Change in Ownership for Water Right No. 29-11006

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in October 2001. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The tax notices you submitted are insufficient evidence of ownership, and the legal description on your Warranty Deed does not match the entire place of use for the water right indicated in your notice. Please provide our office with a warranty deed (including legal description) or other such document as listed above. Enclosed is a computer report of the water right for your reference, with missing portions highlighted.
- ☒ **Legal Description of Property**

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

A handwritten signature in black ink that reads 'Kandice L. McDermott'.
