Presently there are 5 water rights to be considered for ownership change. You have paid \$200.00 to cover the filing fee costs. The filing fee is \$25.00 per water right for a regular ownership change. The fee is \$100.00 if a split of the water right is required for the ownership change. At this time you have \$75.00 in a credit balance. If the extra money is not required for splitting of water rights in the ownership change process, it will be refunded to you.

If you have any questions regarding this matter, please call me at 208-327-7941.

Thank you,
