RE: Oppedyk/Albers – Ownership Change for Water Rights 61-10075, 61-11969,
61-11970, 61-11971, 61-11972

Dear Mr. Hollifield:

The Department received your request for ownership change on the above referenced water rights on May 11, 2004 at our Southern Region office in Twin Falls. The request was forwarded to the State Office in Boise and we have reviewed the files and found that additional information is needed in order to finalize this request.

On September 13, 2004, I e-mailed you regarding the additional information that is required to complete the ownership change request. I have enclosed a copy of that e-mail for your convenience. If proof of ownership for the lands described on the e-mail is not available it will be necessary to split the water rights. If that is the solution there will be additional fees required as the fee to split ownership on a water right is \$100.00. If the 4 water rights (61-11969 thru 61-11972) are split, an additional \$300.00 filing fee will be needed.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
