PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 37-20552, 37-20553, 37-20554, 37-20555

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

After review, it has come to our attention there has been an overpayment of \$200.00. An examination fee is not required in connection with permits which use a ground water source **AND** have a total rate of diversion of 0.04 cfs or less or where the total volume stored is 4.0 AF per annum or less. We will notify the appropriate department to issue a refund of \$200.00.

If you have questions about the field examination, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,

Christine Roberts
