Resolution for Change of Points of Diversion

The Board of Directors of Mud Lake Water Users, Inc. hereby approves the movement of the well known as North Lake Well #1 from its current location in the Southwest $\frac{1}{4}$ of the Northeast $\frac{1}{4}$ of Section 13 of Township 7 North of Range 34 East Boise Meridian to a location in the Northwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of Township 7 North of Range 34 East Boise Meridian.

This same Board also approves of the following modifications to the existing well known as Buck Springs Well #3. A point of diversion will be added in the Southwest $\frac{1}{4}$ of the Southwest $\frac{1}{4}$ of Section 13 of Township 7 North of Range 35 East Boise Meridian. The existing hole will be modified to prevent further pumping and backflow, but designed to allow natural artesian flow.

This same Board authorizes its President, Gerald Messerli, to represent the company in these two matters.

UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
RIGHT-OF-WAY GRANT

SERIAL NUMBER IDI-35149

1. A right-of-way is hereby granted pursuant to Title V of the Federal Land Policy and Management Act of October 21, 1976 (90 Stat. 2776; 43 U.S.C. 1761).

2. Nature of Interest:

a. By this instrument, the holder:

MUD LAKE WATER USERS, INC.
P. O. BOX 68
TERRETON, IDAHO 83450

receives a right to construct, operate, maintain, and terminate an IRRIGATION WELL AND PIPELINE WEST OF HAMER, IDAHO located on public lands described as follows:

T. 07 N., R. 35 E., B.M., Fremont County
SECTION 13, SWSW.

- b. The right-of-way area granted herein is 50.0 feet wide, 50.0 feet in length, and contains 0.06 acres, more or less.
- c. This instrument shall terminate on Dec. 14, 2025, 20 years from its effective date unless, prior thereto, it is relinquished, abandoned, terminated, or modified pursuant to the terms and conditions of this instrument or of any applicable Federal law or regulation.
- d. At the discretion of the authorized officer this instrument may be renewed. If renewed, the right-of-way shall be subject to the regulations existing at the time of renewal and any other terms and conditions that the authorized officer deems necessary to protect the public interest.
- e. Notwithstanding the expiration of this instrument or any renewal thereof, early relinquishment, abandonment, or termination, the provisions of this instrument, to the extent applicable, shall continue in effect and shall be binding on the holder, its successors, or assigns, until they have fully satisfied the obligations and/or liabilities accruing herein before or on account of the expiration, or prior termination, of the grant.

3. **Rental:** For and in consideration of the rights granted, the holder agrees to pay the Bureau of Land Management fair market value rental as determined by the authorized officer *unless specifically exempted from such payment by regulation*. Provided, however, that the rental may be adjusted by the authorized officer, whenever necessary, to reflect changes in the fair market rental value as determined by the application of sound business management principles, and so far as practicable and feasible, in accordance with comparable commercial practices.
4. **Terms and Conditions:**
- a. This grant is issued subject to the holder's compliance with all applicable regulations contained in Title 43 Code of Federal Regulations part 2800.
 - b. Upon grant termination by the authorized officer, all improvements shall be removed from the public lands within 90 days, or otherwise disposed of as provided in paragraph (4)(o) or as directed by the authorized officer.
 - c. Each grant issued pursuant to the authority of paragraph (1)(a) for a term of 20 years or more shall, at a minimum, be reviewed by the authorized officer at the end of the 20th year and at regular intervals thereafter not to exceed 10 years. Provided, however, that a right-of-way granted herein may be reviewed at any time deemed necessary by the authorized officer.
 - d. The map set forth in Exhibit "A", dated Nov. 14, 2005, attached hereto, are incorporated into and made a part of this grant instrument as fully and effectively as if they were set forth herein in their entirety.
 - e. Failure of the holder to comply with applicable law or any provision of this right-of-way grant shall constitute grounds for suspension or termination thereof.
 - f. Holder shall perform all operations in a good and workmanlike manner so as to ensure protection of the environment and the health and safety of the public.
 - g. The holder shall conduct all activities associated with the construction, operation, and termination of the right-of-way within the authorized limits of the right-of-way.
 - h. Any cultural and/or paleontological resource (historic or prehistoric site or object) discovered by the holder, or any person working on his behalf, on public or Federal land shall be immediately reported to the authorized officer. Holder shall suspend all operations in the immediate area of such discovery until written authorization to proceed is issued by the authorized officer. An evaluation of the discovery will be made by the authorized officer to determine appropriate actions to prevent the loss of significant cultural or scientific values. The holder will be responsible for the cost of evaluation and any decision as to proper mitigation measures will be made by the authorized officer after consulting with the holder.
 - i. The holder shall be responsible for weed control on disturbed areas within the limits of the right-of-way. The holder is responsible for consultation with the authorized officer and/or local authorities for acceptable weed control methods (within limits imposed in the grant

stipulations).

- j. Construction sites shall be maintained in a sanitary condition at all times; waste materials at those sites shall be disposed of promptly at an appropriate waste disposal site.
