3. cskinner 12/14/2004 Legal Notice Remarks

Comment: Application is for the development of a water right from an existing well located approximately 20.75 miles south and 6.75 miles west of Castleford. The well supplies water to an existing water system consisting of troughs and storage tanks located approximately 13.0 - 20.75 miles south and 2.5 - 7.5 miles west of Castleford.

4. ameritt 2/1/2005 RECOMMENDATION

Comment: This application was advertised without protest. Recommend approval as drafted on A012.

5. kwalker 2/14/2005 Permit Review

Comment: Recommend approval as drafted by regional office with exception of condition requiring compliance with conditions of approval - not normally used on stockwater uses. Also recommend adding right-of-way condition since place of use includes some land owned by State of Idaho.
