Re: Preliminary Order in the Matter of Application
For Permit 72-16601

Dear Mr. Merritt:

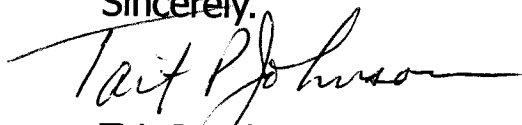

I am in receipt of your certified letter, dated March 2, 2006, regarding the above-referenced application. I did not receive the letter you mailed on November 21, 2005, and as a result did not get back to you within the 30-day time period. I assume this letter must have gone to my old address. My new address is as follows:

Tait Johnson
P.O. Box 680792
Park City, Utah 84068

Please update your records to reflect this change.

I am very much interested in getting my application for permit 72-16601 approved. Please advise of any other steps I must take to secure this permit. Thank you.

Sincerely,

Tait P. Johnson
