TO WHOM IT MAY CONCERN:

I AM APPLYING FOR AN ADDITIONAL WELL TO BE USED FOR DOMESTIC USE AND IRRIGATION.

THE DOMESTIC USE IS FOR A SECOND FAMILY DWELLING TO BE BUILT ON THE PROPERTY. THE IRRIGATION USE IS FOR THE 2.2 ACRES THAT THE HOMES ARE SITUATED ON

THE WATER RIGHT THAT I HAVE ON BURNT CREEK IS USED FOR IRRIGATION ONLY, BUT IT IS NOT ADEQUATE. BURNT CREEK DOES NOT PROVIDE ENOUGH WATER TO KEEP THE PROPERTY GREEN.

I DON'T KNOW WHAT SIZE WELL I WILL NEED, OR HOW DEEP I WILL NEED TO GO. I HAVE LISTED THE MAXIMUM ANTICIPATED DIAMETER AND DEPTH OF THE WELL.

SINCERELY,

Tait P. Johnson
