RE: PERMIT NO. 69-11500

Dear Permit Holder:

The Department acknowledges receipt of your Request for Extension of Time received on March 22, 2005 in connection with the above referenced permit. I understand that Idaho Department of Fish & Game (IDFG) has delayed development of this permit. Please provide me with evidence to substantiate the basis for your request for extension by providing me with copies of documents you have received from IDFG, or ask that they prepare something to substantiate their involvement and delay. The department will only extend the proof deadline for the actual time you were delayed during the last development period, according to Section 42-204(1), Idaho Code.

Please return your response to my attention within **thirty (30) days** of the date of this mailing. Upon my review of your response, I will notify you of the decision reached.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
