

January 20, 2004

Hi Levi . . .

I decided to include a copy of the current permit information which is still in your mother's name.

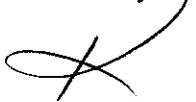

The enclosed **ASSIGNMENT OF PERMIT** form is the correct form to use for changing the ownership of a water right permit. I have filled the form out as much as possible for you. Please sign the form in the presence of a Notary Public and return it to me in the enclosed envelope.

When I receive the assignment form, I will complete the processing and send you a revised copy of the water right report showing you as the current owner.

Please note that you have until March 1, 2005 to submit proof of beneficial use of the water on this permit. The department will send you the necessary form approximately 60 days prior to the due date. If you are ready to submit this proof earlier than the noted date, please contact the department and a form will be mailed to you by return mail or you may access this form on the Internet at <http://www.idwr.state.id.us>.

If you have any questions regarding this matter, please call me at 208-327-7941.

Thank you,

Kari Lynn Townsend, Secretary
Water Allocations Bureau
