RE: Relinquishment or Abandonment of Water Right 36-7938

Dear Water Right Holder:

The department acknowledges receipt of your notice to relinquish or abandon a portion of the water right referenced above. The water right record has been modified to show authorization for domestic use only. The water used for domestic purposes is limited as decreed to uses associated with one home not to exceed 13,000 gallons per day. I have enclosed a computer-generated report of the modified record for your review.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Peppersack', is written over the printed name.
