RE: Change in Ownership for Water Right No. 65-445, 65-446, 65-3375, 65-3376,
65-3377, & 65-11243

Dear Mrs. White:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. The legal description on the Deed you submitted does not match the place of use for the water rights listed above. In order to complete the ownership change, we will require additional evidence of ownership for those water rights. I have enclosed computer reports of the water rights for your reference, with the missing property highlighted.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L. McDermott
