Re: Exam P/Ds

Exam shows p/ds located in SENW, S23 and SWNW, S15, T14N, R1W.

Exam for Rt. 67-7525 uses same p/d (Steward Ditch) in S15 but was shown to be located in NWSE, S15. I recommend we use NWSE, S15 as p/d for Steward Ditch that appears to be consistent with SRBA findings.

Lori Graves took gps reading for p/d of Greys Creek Ditch in summer of 2002 and found location to be within NESWNW, S23 rather than SENW as shown on exam. See e-mail of 2/4/2003 in file.
