Attn: K.L.T.

Attached a completed Notice of Change in Water Right Ownership form by which we request that the ownership of water right 21-4061 be changed to Jeffrey S. and Linda S. Paine, husband and wife.

The ownership of the land to which this land is associated was obtained by us in negotiated settlement between the family members with the terms established by the District Court in Fremont County in October, 1996. We subsequently divided it into smaller, but still substantial parcels, of which the parcel on which this spring fed source of water is used is one. The type of use is residential and is identified as our Parcel D, for which a copy of the Quit Claim deed is attached. This Quit Claim Deed was recorded by Fremont County in April, 1997.

The person who's name is currently on the water right (Clarence Sherwood) is deceased as is Verna Sherwood who is one of those named on the Quit Claim Deed. Linda Paine was her only heir, and through the probate process, the name of Verna Sherwood is no longer on the deed and the property is currently in clear title to Jeffrey S. and Linda S. Paine, husband and wife.

We have a pending sale on this parcel scheduled to close near the end of March, 2006 if everything is in order so your help in implementing this name change will be greatly appreciated.

Should you have any questions, feel free to contact us at 425-868-1292.

Regards,

Jeff Paine
