RE: Water Right 71-00026C (formerly split into Rts. 71-10884 and 71-10885)

Dear Mr. and Mrs. Parkinson:

Upon investigation into the splits created when we reviewed the Notice of Change in Water Right Ownership form for Rt. 71-00026C, we found that the metes and bounds description sufficiently provided documentation that you obtained the entire water right. We have recombined Rts. 71-10884 and 71-10885 into the original Rt. 71-00026C. The Department has modified it's records to reflect the original decree and has enclosed a computer-generated report for your records. I apologize for any inconvenience my error caused you in regard to this matter.

A refund of the \$75.00 requested for this split of this right, and receipted under Receipt No. C074572, will be sent to you under separate cover from the State Auditor's Office.

If you have any questions in regard to this matter, please do not hesitate to contact me at (208)287-4953.

Sincerely,

A handwritten signature in cursive script that reads "Kay Walker". The signature is written in dark ink and is positioned above the printed name and title.
