Re: Brent Funk Transfers

To Whom It May Concern:

Enclosed are four transfers re-submitted on behalf of Mr. Brent Funk. Three of the transfers address the conversion of irrigation rights to commercial/stockwater use for additional capacity for a dairy on site. The other transfer proposes to transfer groundwater to another piece of property owned by Mr. Funk. Each transfer contains a narrative which clearly outlines the intent of the transfer. Also included is a claim form for 47-4107 which was not claimed in the adjudication by Mr. Funk.

Enclosed is a Limited Power of Attorney form signed by Mr. Funk which will allow our office to act on Mr. Funk's behalf in dealing with the water transfers. Also included is a check in the amount of \$1143.00 from Mr. Funk to cover the transfer fees in accordance with a meeting with Allen Merritt and Corey Skinner.

Please process these applications and contact our office if you have any questions or concerns. Thank you and have a great day.

Sincerely,

Jeffrey S. Rau, P.E.
