RE: WR 61-7253B, 61-7420, currently leased to the water bank

Dear Ms Vaughan,

The two water rights listed above will be needed for our farming operation beginning in April of 2006. We were informed by an e-mail dated February 22 from Cynthia Clarke-Bridges that "the rights are not currently rented from the bank, so they can be released based on a written request".

We hereby request that the water rights 61-7253B and 61-7420 be removed from the water bank.

Thank you for your help!
