RE: Transfer of Water Right 63-7298

Dear Dan;

This letter is to officially request an extension of time to come forward with addition information needed to complete the transfer. We have had several discussions with Steve Reynolds concerning the requested agreement between us and him. We are in the process of negotiating a sale of this property to Steve. If this happens we would no longer need the agreement. If the sale does not happen we intend to research our documents and determine our ownership of certain water rights associated with this well.

We wish to request an additional year to produce needed information.

Thank you for your assistance and patience.

Sincerely,

Burke H. Scholer
