

MEMORANDUM

Date: March 02, 2006
To: Water Right File 29-13732
From: eretelle
Re: phone call

I spoke to Chip Buss from Thunder Canyon (208) 221-6927 today re: the overlap with right 29-8080 for domestic use (87 homes & a clubhouse). He says that not all of the homes are constructed yet and the homes applied for under this application are the same 87 lots/homes. This is a backup well plus providing additional flow for the subdivision.
