

Dear Mr Kun,

2-14-06 RECEIVED

FEB 22 2006

DEPARTMENT OF
WATER RESOURCES

I am sending the information you requested. I apologize, I thought that I had sent all of the required information. Please note the FAX over sheet to Roxanne Brown for 7-29-05

I have never received an Application for Amendment for water right no. 75-07353, except for the one that I received from you. On this copy, I included a note to reconsider the order voiding this application permit and re-instate my permit and issue my water right permit.

Your letter dated 1-11-06 was not delivered to me until the week of 2-5th, 2006, so I was unable to respond within your 14 day limit.

Please tell me about the Water Right #75-02132 Re. Cutler, Girard. Was this prior to the Biggs ownership? I am unclear regarding this. Thank you for all of your help, I do appreciate your patience.

Check #3713
for \$50.00 enclosed

Sincerely
Donna M. Luman
