Re: Phone call from Donna Inman

This morning Donna Inman called me from Sitka, Alaska, to discuss my 1/11/2006 request for an amendment of Permit 75-7353. Mrs. Inman had just received the request, and she was not yet aware that IDWR had voided the permit because the amendment had not been filed. I explained the situation and told Mrs. Inman that a license could be issued if she would send the amendment and a brief petition for reconsideration of the order voiding the permit.

Mrs. Inman also wanted to discuss her other water right filings. We found that in the SRBA she has claimed Permit 75-7353 (the de Board property), Right 75-7035 (the domestic well and supplemental irrigation for her home parcel), and Beneficial Use Claim 75-13944 (irrigation of a small portion of 40 acres she bought from the BLM). We also found that Beneficial Use Claim 75-10680, which is still in the name of Manning, covers the use of water from Freeman Creek to irrigate her home parcel. I emailed Mrs. Inman an ownership change form for 75-10680.

Mrs. Inman's address is 2620A Halibut Point Rd., Sitka, AK, 99835. Her phone number is 907-747-2697.
