Re: Application for Permit No. 72-16645

Dear Mr. & Mrs. Strobe:

The Department of Water Resources acknowledges receipt of your water right application for permit. The application has been assigned the above referenced identification number. Please refer to this number in all further correspondence.

Because your application falls within the Moratorium area preventing the issuance of new consumptive use permits in the Salmon River drainage, it will be held without action in the foreseeable future.

If you have any questions or if this office can be of further assistance, please feel free to contact us.

Sincerely,

Mary A. Baldwin
Administrative Assistant
