RE: Proof of ownership of 23-2065A

Dear Mr. and Mrs. Hicks:

It appears that there is an error in the warranty deed for the South Half (S½) of the Northwest Quarter (N¼) of Section 7, Township 1 North, Range 44 E.B.M. The error appears to be in the description of the water rights as follows:

"TOGETHER with the following water rights:

Water Right No. 23-07151, an undivided one-half interest in Water Right No. A23-02065A, Water Right No. 23-10119, and ..."

It appears that right "A23-02065A" should have been right A23-02065. As the warranty deed stands now you own the entire place of use for 23-2065A, but own only half of the water right 23-02065A. Therefore, you can divert only half of 23-02065A for 0.12 cfs on 35.5 acres instead of the total of right 23-02065A of 0.24 cfs on 71.0 acres.

You need to provide this office an amended warranty deed for all of 23-02065A before your transfer can be processed.

Your prompt response on or before June 30, 2005, will be appreciated.

Sincerely,

Keith C. Wilson  
Senior Resource Agent
