Re: Request for Extension of Time for Water Right Permit No. 63-31742

Dear Sir:

Enclosed is the original Request for Extension of Time regarding water right no. 63-31742. The department cannot accept the Request for Extension of Time because you filed Proof of Beneficial Use with the department and according to our telephone conversation you informed me that the development of this water right has been completed. Therefore, the department will refund the \$50.00 filing fee you paid for the Request for Extension of Time. I will process the Proof of Beneficial Use and contact you with any questions, or confirmation of its acceptance.

The \$50.00 refund for the filing fee will be processed and mailed to you under separate cover.

If you have any questions, please let me know. My new phone number is 287-4942.

Sincerely,

Deborah J. Gibson
