Subject: Receipt No. C075524 needs to be refunded to the customer

The Department received a check for \$225.00 today from the Idaho Department of Fish & Game. They filed with the department Proof Beneficial Use (which the fee is \$175.00), and a Request for Extension of Time (which the fee is \$50.00) for water right 63-31742. The department cannot accept both of these forms and fees. I contacted the customer and we agreed that proof of beneficial use is appropriate. Therefore, the department will accept the proof and refund and return the request for extension of time. Therefore, please prepare a \$50.00 check to the Idaho Department of Fish & Game, and mail it to them when it comes in. I will return the form and explain that the department will be refunding their \$50.00.

The receipt number is **C075524** and it was receipted on 10/19/2004.

If you have any questions, please let me know. Thank you.
