RE: Change of Ownership for Water Rights 35-2685, 35-7488, 35-7489, 35-7490, 35-11713 & 35-13046

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

Water Right 35-9032 is currently an Application for Permit and is on Moratorium Hold at our Eastern Region Office in Idaho Falls. There is no fee required to change ownership on an Application for Permit, however an Assignment of Application of Permit form is required to complete your request. I have enclosed that form for your convenience. Please complete the assignment form and return it to our Idaho Falls Office. A refund request for \$25.00 has been made please allow four to six weeks to receive.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
