RE: PERMIT NO. 25-7654

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the time within which to submit proof of beneficial use to **November 1, 2004**. The department has granted this extension based on governmental agency delay. Please note that the department has granted the extension based on the actual time a government agency has been involved during the last development period, according to Section 42-204(1), Idaho Code. It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions in connection with this permit.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact me directly at (208) 327-7953 if you have any questions.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
