RE: Change of Ownership for Water Right 75-10861

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

In order to add Frank Roy Unrein as owner of the water right, you will need to provide our office with a quitclaim deed from yourself to you and he as a married couple. We cannot make the change based on your marriage license alone. Enclosed is another change in ownership form you may use upon obtaining the necessary documentation.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Kandis McPeck
