Re: Notice of Claim to a Water Right No. 78-4053

Dear Claimant(s):

Enclosed is a copy of the above referenced claim, which reflects the change in ownership of the land and appurtenant water rights, covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process this claim for final court decree.

In reviewing this ownership change, I notice that the water rights under number 78-10190 in the name of Clayton A and Grace L Hartwell are also in the same Place of Use, for Domestic use. If you acquired this groundwater right also, please advise the department, and we can change those records as well. In addition, because this particular right has been decreed by the SRBA Court, there is a filing fee of \$25. Please notify the Department, and submit the appropriate fee if necessary.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Denise Buffington
