RE: Change of Ownership for Water Right 77-4010

Dear Water Right Holder(s):

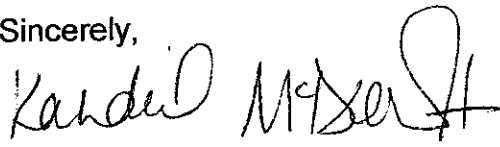

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Because the Deed of Distribution provided as evidence of ownership listed only Tamara A Jensen as the new owner, Jeff Jensen could not be added to the ownership. In order to place ownership of the water right in both names, a quit claim deed will be required from Tamara Jensen, deeding the property and/or water right to both Jeff and Tamara Jensen.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Jeff Peppersack, Manager
Water Right Permits Section
