RE: Change in Ownership of Water Right No. 37-7581

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property located in section 4 township 1 south range 22 east with 2.3 acres.

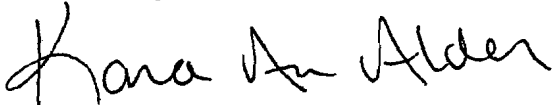

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. Water Right number 37-7581 was decreed on December 11, 2002 that decree includes 2.3 acres of land located in section 4, township 1 south, range 22 east. The Warranty Deed you provided does not include the 2.3 acres in that land portion as part of the property you acquired in the purchase from Robert and Beverly Whitby. Please provide proof of ownership so that we may process your ownership change. If upon review of your Warranty Deed you discover you did not receive the 2.3 acres in the transaction the water right will need to be split. The cost to split a water right is \$100.00 so an additional \$75.00 will be required to complete the processing of your request.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information . If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952
