RE: Water Right No. 25-13046
Change in Ownership

Dear Ms. Adams:

The Department of Water Resources acknowledges receipt of your Change in Address form filed in December 2003. With this form you requested that Dennis M Adams be added to the ownership of the water right. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Filing Fee** of \$25 per water right

 X **Signature** Because the ownership of the water right is being changed from you individually to you and Dennis, a Notice of Change in Ownership will be required. Enclosed is a blank form for you to complete and sign, then return to our office.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$25**.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952

Sincerely,

Kandice L McDermott
Records Analyst
